To begin the 1977-78 year, the upcoming freshman class was welcomed into the high school. GAA initiation was one of the first official welcomings. Soon girl's volleyball and fall baseball got underway. Although neither of these teams accomplished all they would have liked, 100% was put out by all. In November, the seniors staged their mock wedding. Chris and Jim became the happy couple.

On November 18, 1978 the Dukes Basketball began. The cheerleaders and players were all eager to begin. The season didn't turn out the way most people would have liked, but the Dukes went down fighting. To start out the holiday season the annual FHA Spaghetti Supper was held - again a great success. An evening of Winter Wonderland of Music added to the holidays.

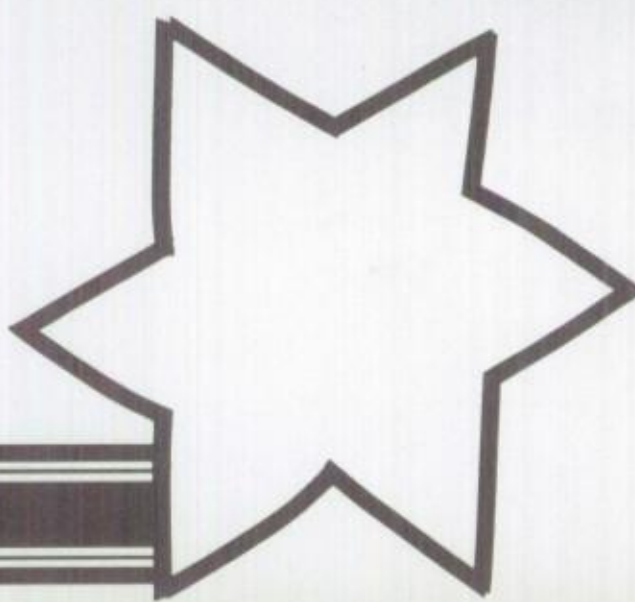

Immediately following the holidays, Homecoming was the main attraction. Susan and John were crowned Queen and King of "Knights are Forever." Slink Rand provided music for the evening. The next event into action was the girls' basketball season. The girls had an active and fun season. February started with the Section 4B FHA Rally. Highlights were Jill Leigh presiding as Vice President, Amy and Cindy modeling, Chris cake decorating, Susan participating in puppetry, and Becky being elected President.

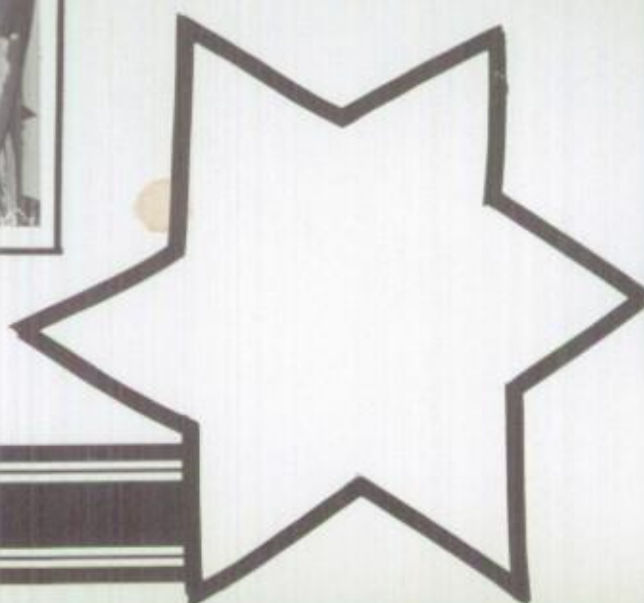

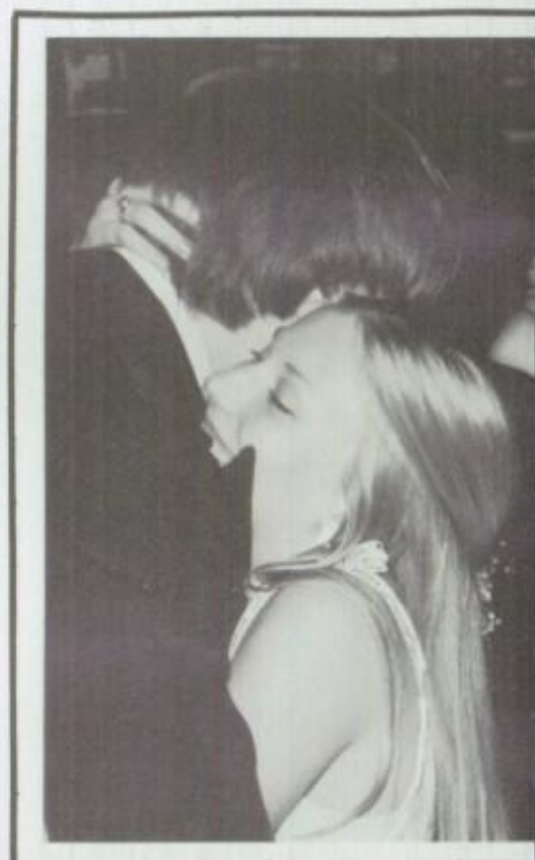

February 14, our last home basketball game, was senior appreciation night. At this time each senior and his/her parents were recognized. The fall sport award banquet was held in March. Each aspiring athlete was recognized for his/her accomplishments. The senior-faculty basketball game was played at the end of March, closely followed by the donkey basketball game which was played at the start of April. In both these events all seemed to be enjoying themselves. Before long, spring baseball got underway. Pitching sensation Jeff Sollars drew scouts from many major league teams. The annual FHA style show displayed the girls many sewing talents.

The month of May was filled with many exciting activities to end the 1977-78 school year. One highlight was the Prom held at the Sheraton Inn on May 6. Dennis and Dawn were crowned King and Queen of "Yesterday." Another happening was the mother-daughter banquet where the new FHA officers were installed. On May 13-15 the seniors went on a trip to the Double JJ Ranch in Rothbury, Michigan. Finally to end the year, graduation was held on May 25 with the seniors leaving with the motto: "With the Light of Today, We'll Explore the Paths of Tomorrow."

TO MISS JAN STURM

From the 1977-78 Yearbook Staff

IN APPRECIATION
FOR ALL YOUR LONG
HOURS AND HARD WORK.

We would like to dedicate
our 1977-78 yearbook
to you.

Thank you
Miss Sturm.

While working on the 1977-78 yearbook, we discovered just how complicated and time-consuming a yearbook really is. Meeting deadlines, waiting for pictures, and designing pages gave us many headaches, but after all was finished, we felt a terrific sense of accomplishment. We'd like to thank all those on the staff who helped us, but most of all we'd like to thank Miss Jan Sturm, who devoted countless hours of time, hard work, and patience in helping us finish this book. We hope you enjoy reading it as much as we enjoyed doing it.

The Obvivors

Here we are, the freshman class for 1977-78. Our class had the pleasure of having two new students join us. We now have the largest class in all Wellington schools. Our class had a bake sale and we also had a booth at the Halloween carnival to help out in paying for the freshman stand. Our Homecoming attendants this year were Amy Jo Voyles and Linda Foster. Our goal in the years to come is to get through high school alive.

CLASS OF "78"

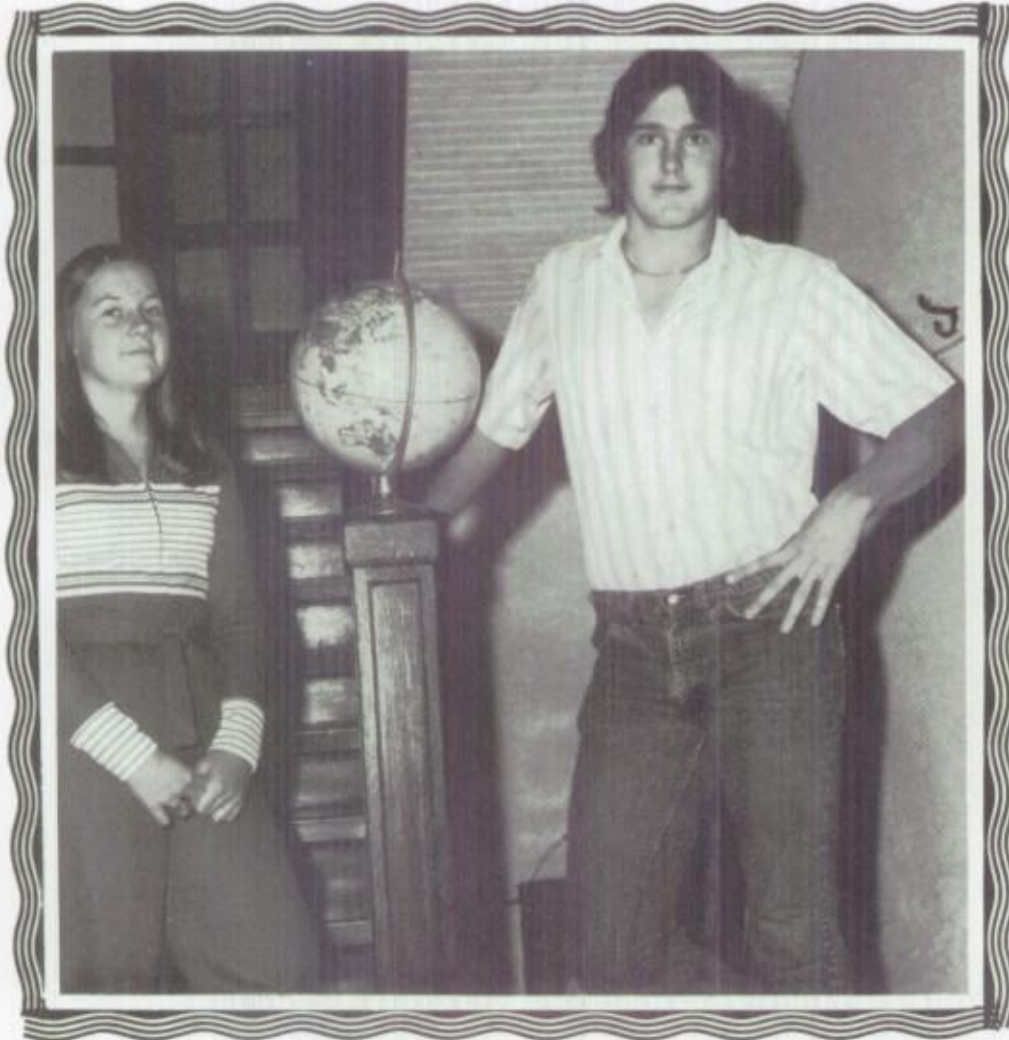

The Class of "'78" wasn't an ordinary one. In fact, we were known as the rowdiest bunch since the founding of the school in 1915. We were also one of the most active as far as clubs and sports were concerned. We have had a few money making activities and have earned more than enough for our Senior trip to Michigan. We would like to thank all who have supported us, especially our parents who lived through countless years of guiding our paths.

Back Row: Jim Sollars, Joe Neal, Glen Judy, Bobby Franklin, Coach Davis.
Front Row: Ritchie Fulton, Terry Fanning, Larry Langellier, Joe Sollars, Darrell Judy, Mike McFann.

The fall baseball schedule featured some really outstanding pitching by big Dukes' ace, Jeff Sollars. In thirty-three innings of work, he struck out a total of seventy-eight batters. Lack of timely hitting, however, failed to supply him with many runs in 1-0, 2-1, and 4-2 conference losses.

Coach Halpenny graduated from Western Illinois University in 1967 with a Bachelors Degree in Education. He played varsity baseball and majored in Physical Education. In 1974, he received his Masters Degree from Northwestern University, majoring in Physical Education. Halpenny has taught Physical Education and coached baseball and basketball for ten years.

Jeff Sollars finished his senior year as one of the most outstanding baseball players in Illinois. The 6 foot 3 inch, 185 lb. Lefty has been All-Conference for three years (top vote getter for two years) and MVP for three years. During his career at Wellington he has averaged 2.6 strikeouts per inning and less than 1 run every 7 innings. Jeff plans to attend college and further his baseball career.

Bill Reed was the team's leading hitter this year, batting a blistering .407. There were three players shooting for the title entering the last game but Bill came through with a perfect 3 for 3 night to claim the title.

Wellington captured second in the Cissna Park Frosh-Soph Tournament. In the first game Glen Judy scored 43 points to tie a tournament record. Joe Neal tied the game at 65 with a shot at the buzzer. Wellington went on to win 72-69 in overtime.

In the second game Wellington faced a heavily favored Armstrong squad. Armstrong lead with 3 minutes to play 60-47. Wellington came back and tied it at 60. Joe Neal sank a jump shot at the buzzer to win it 62-60.

In the championship Wellington lost to Cissna Park 69-65 in double overtime. Glen Judy was named tournament MVP.

After the game the team dedicated the trophy to Jim Sollars, who couldn't play due to an injury.

Spring baseball was cut short due to the spring monsoons. Although we did not win too many games, we did have a lot of fun and excitement in our season. One of the few bright spots was the fine pitching of Jeff Sollars. The team only loses four seniors, Jim Bivans, Joe Cowan, Jeff Sollars, and Chuck Brewster, so it shows signs of a good season next year.
